

AV Technician (Arley Hall, Cheshire)

Opened in 2021, Harry Potter: A Forbidden Forest Experience is an official experience partner of Warner Bros, producing a new concept experience for fans of the film franchise.

A night-time woodland trail filled with magical creatures and wizarding wonders from the Harry Potter and Fantastic Beasts films, guests explore the sounds, lights, and special effects that bring the magic of the Wizarding World to life. The trail has already won awards within the experiential tourism industry and is set to become a global project. With expansion plans for multiple sites around the world, with a focus on Europe and America in 2022-23, we are expanding our team to facilitate this exciting growth.

Location:
